

## REMARKS

By the foregoing Amendment, the Related Applications information has been updated. Favorable reconsideration of the application is respectfully requested.

Claims 21-22 were rejected under the judicially created doctrine of obviousness type double patenting in view of claims 1-3 of U.S. Patent No. 6,363,956, and claims 1-2 of U.S. Patent No. 6,520,196. Claim 21 was rejected under the judicially created doctrine of obviousness type double patenting in view of claim 1 of U.S. Patent No. 6,712,083. It is believed that with the enclosed Terminal Disclaimer, the rejections of Claims 21 and 22 under the judicially created doctrine of obviousness type double patenting can be withdrawn.

Our check in the amount of \$65.00 is enclosed to cover the fee for filing the terminal disclaimer.

In light of the foregoing amendment and the attached terminal disclaimer, it is respectfully submitted that the application should now be in condition for allowance, and an early favorable action in this regard is respectfully requested.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
